Purpose

The Lourdes and Luis Charity Golf Classic has been created to continue the legacy of the original founders of Inca Kola in the United States. Lourdes and Luis Jardines dedicated their lives to helping others and always gave back to the communities that supported the brand Inca Kola. The proceeds raised from the golf outing are 100% used for the Annual Inca Kola Humanitarian Aid Mission to the Dominican Republic. Every year in the spring we travel to the Dominican Republic with Friends of Lead Free Children, a certified 501C3 not for profit. We have provided over 10 million prenatal vitamins and children's supplements to underprivileged pregnant woman and children. Our mission takes us to the country side where we can have the most impact on the lives of new born babies and young children. As a participant in our mission you will experience first hand the impact that we are making in the most underprivileged communities. The people we help truly appreciate your support and to see first hand the gratitude in their eyes is sure to bring tears to yours.
